**INFORMATION CIRCULAR
for the Annual General Meeting of the Holders of Common Shares
to be held on Wednesday, May 17, 2017**

THIS INFORMATION CIRCULAR (the “**Circular**”) IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY OR ON BEHALF OF THE MANAGEMENT OF STORM RESOURCES LTD. (the “**Corporation**”) for use at the annual general meeting of the holders (the “**Shareholders**”) of common shares (the “**Common Shares**”) of the Corporation to be held at Calgary Telus Convention Centre, Rooms 108/109 North Building, 136 – 8th Avenue S.E., Calgary, Alberta, Canada on Wednesday, May 17, 2017 at 3:30 p.m. (Calgary time), and any and all adjournments or postponements thereof (the “**Meeting**”), for the purposes set forth in the accompanying notice of meeting the (“**Notice of Meeting**”).

Unless otherwise specified, the information contained herein is given as at March 31, 2017.

SOLICITATION OF PROXIES

The solicitation of proxies is made on behalf of the management of the Corporation. Solicitation of proxies by management will be primarily by mail, but may also be in person or by telephone. The cost of solicitation will be borne by the Corporation.

RECORD DATE

The record date for the Meeting is April 3, 2017 (the “**Record Date**”). Any Shareholder of record at the close of business on the Record Date who either personally attends the Meeting or has completed and delivered a form of proxy in the manner and subject to the provisions described below will be entitled to vote or to have his or her Common Shares voted at the Meeting. To the extent that a registered Shareholder has transferred the ownership of any shares subsequent to the Record Date, the transferee of such Common Shares shall not be entitled to vote such Common Shares unless the transferee produces properly endorsed share certificates, or otherwise establishes that they own the Common Shares and requests, not later than 10 days before the Meeting, that their name be included on the shareholder list before the Meeting, in which case the transferee shall be entitled to vote their Common Shares at the Meeting.

COMPLETION OF PROXIES

The form of proxy affords Shareholders or intermediaries an opportunity to specify that the Common Shares registered in their name shall be voted for or against or withheld from voting in respect of fixing the number of directors for the ensuing year; the election of directors; the appointment of the auditor of the Corporation (including in the resolution granting the authority for the directors to fix the remuneration of the auditor); the approval of the continuance of the Corporation’s stock option plan; and on certain other matters as specified in the accompanying Notice of Meeting or any other matter which may properly come before the Meeting.

The persons named in the enclosed form of proxy are the President and Chief Executive Officer and the Chief Financial Officer, respectively, of the Corporation.

A REGISTERED SHAREHOLDER OR AN INTERMEDIARY HOLDING COMMON SHARES ON BEHALF OF AN UNREGISTERED SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON, WHO NEED NOT BE THE SHAREHOLDER, TO ATTEND AND ACT ON THEIR BEHALF AT THE MEETING, IN THE PLACE OF THE PERSONS DESIGNATED IN THE FORM OF PROXY FURNISHED BY THE CORPORATION. TO EXERCISE THIS RIGHT, THE SHAREHOLDER OR INTERMEDIARY SHOULD STRIKE OUT THE NAMES OF THE

PERSONS NAMED IN THE FORM OF PROXY AND INSERT THE NAME OF THEIR NOMINEE IN THE BLANK SPACE PROVIDED, OR SUBMIT ANOTHER APPROPRIATE PROXY.

A proxy must be dated and signed by the registered Shareholder, or by his or her attorney authorized in writing or by the intermediary. In the case of a Shareholder that is a corporation, the proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation with proof of authority accompanying the proxy.

In order to be effective, the proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof, must be mailed so as to be deposited at the office of the Corporation's transfer agent, Alliance Trust Company, 1010, 407 - 2nd Street S.W., Calgary, Alberta, T2P 2Y3, not later than 48 hours preceding the time of the Meeting or deposited with the Chairman of the Meeting on the day of the Meeting prior to the commencement of the Meeting. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date of its execution. If a proxy is not dated, it will be deemed to bear the date on which it was mailed to Shareholders by management of the Corporation.

EXERCISE OF DISCRETION BY PROXIES

A Shareholder or intermediary may indicate the manner in which the persons named in the enclosed form of proxy are to vote with respect to any matter by checking the appropriate space. On any poll, those persons will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the directions, if any, given in the form of proxy. If the Shareholder or intermediary wishes to confer a discretionary authority with respect to any matter, the space should be left blank. IN SUCH INSTANCE, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY INTEND TO VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MOTION.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing of the Circular, management of the Corporation knows of no such amendment, variation or other matter. However, if any other matters which are not now known to management should properly come before the Meeting, the proxies in favour of management nominees will be voted on such matters in accordance with the best judgment of the management nominees.

REVOCATION OF PROXIES

A Shareholder or intermediary who has submitted a proxy may revoke it by instrument in writing executed by the Shareholder or intermediary or his or her attorney authorized in writing, or, if the Shareholder is a corporation, under its corporate seal and executed by a director, officer or attorney thereof duly authorized, and deposited either with the Corporation at its offices as aforesaid at any time prior to the close of business on the second last business day preceding the day of the Meeting, or with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting, and upon such deposit the previous proxy is revoked.

ADVICE TO BENEFICIAL HOLDERS OF SECURITIES

The information set forth in this section is of significant importance to many public Shareholders of the Corporation, as a substantial number of the public Shareholders of the Corporation do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this Circular as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc. which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and nominees are prohibited from voting Common Shares for their clients. The directors and officers of the Corporation do not know for whose benefit the Common Shares registered in the name of CDS &

Co. are held. Therefore, Beneficial Shareholders cannot be recognized at the Meeting for the purposes of voting the Common Shares in person or by way of proxy, except as set forth below.

Applicable regulatory policy requires intermediaries and brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary and broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**BFSI**"). BFSI typically prepares its own proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to BFSI. BFSI then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a proxy from BFSI cannot use that proxy to vote Common Shares directly at the Meeting - the proxy must be returned to BFSI well in advance of the Meeting in order to have the Common Shares voted.**

IF YOU ARE A BENEFICIAL SHAREHOLDER AND WISH TO VOTE IN PERSON AT THE MEETING, PLEASE CONTACT YOUR BROKER OR AGENT WELL IN ADVANCE OF THE MEETING TO DETERMINE HOW YOU CAN DO SO.

NOTICE-AND-ACCESS

The Corporation has elected to use the "notice-and-access" provisions under National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (the "**Notice-and-Access Provisions**") for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials which are mailed to shareholders by allowing a reporting issuer to post an information circular in respect of a meeting of its shareholders and related materials online.

The Corporation will not use procedures known as "stratification" in relation to the use of the Notice-and-Access Provisions, meaning that both registered and Beneficial Shareholders will be mailed a notification of availability of Meeting materials directing them to those websites where they can access the Circular and other relevant information (the "**Notice-and-Access Notification**"). If you receive the Notice-and-Access Notification and would like to receive a paper copy of the Circular and other relevant information, please follow the instructions printed on the Notice-and-Access Notification and the materials will be mailed to you. All materials will be forwarded to Shareholders at the Corporation's expense.

The Corporation anticipates that notice-and-access will directly benefit the Corporation through substantial reductions in postage and printing costs. The Corporation believes that notice-and-access is also environmentally responsible to the extent that it decreases the large volume of paper documents generated by printing proxy-related materials.

Shareholders with questions about notice-and-access can call Alliance Trust Company at 403-237-6111 or toll free at 1-877-537-6111.

In order to receive a paper copy of this Circular and other relevant information, requests by Shareholders may be made up to one year from the date the Circular was filed on System for Electronic Document Analysis and Retrieval ("**SEDAR**") by: (i) mailing a request to the Corporation at Suite 200, 640 – 5th Avenue S.W., Calgary, Alberta, T2P 3G4 Attention: Investor Relations; (ii) calling Alliance Trust Company at 403-237-6111 or toll free at 1-877-537-6111; (iii) by emailing a request to inquiries@alliancetrust.ca; or (iv) online at the following websites: www.stormresourcesltd.com or www.alliancetrust.ca/shareholders/. The Corporation estimates that a Shareholder's request for paper copies of the Circular and other relevant information will need to be received prior to May 3, 2017 in order for such Shareholder to have sufficient time to receive and review the materials requested and return the completed form of proxy by the due date set out under the heading "*Completion of Proxies*" in this Circular.

INTERESTS OF CERTAIN PERSONS AND COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed in this Circular, management of the Corporation is not aware of any material interest, direct or indirect, of any director or nominee for director or senior officer or anyone who has held office as such since the beginning of the Corporation's last financial year, or any associates or affiliates of any of the foregoing in any matter to be acted on at the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Corporation consists of an unlimited number of Common Shares, and an unlimited number of preferred shares, issuable in series. As at March 31, 2017, an aggregate of 121,556,812 Common Shares were issued and outstanding and no preferred shares were issued or outstanding. Shareholders are entitled to one vote for each Common Share held.

Any registered Shareholder at the close of business on the Record Date who either personally attends the Meeting or who completes and delivers a proxy will be entitled to vote or have his or her Common Shares voted at the Meeting. However, a person appointed under the form of proxy will be entitled to vote the Common Shares represented by that form only if the form of proxy is effectively delivered in the manner set out under the heading "*Completion of Proxies*" in this Circular.

To the best of the knowledge of the directors and officers of the Corporation, no person beneficially owns, directly or indirectly, or exercises control or discretion over more than 10% of the voting rights attached to voting securities of the Corporation other than funds managed by Caisse de dépôt et placement du Québec which holds 15,001,000 Common Shares (12.3%) of the Corporation.

MATTERS TO BE ACTED UPON AT THE MEETING

1. Fixing the Number of Directors

It is proposed that the number of directors to be elected at the Meeting to hold office until the next annual meeting or until their successors are elected or appointed, subject to the Articles and By-Laws of the Corporation, be fixed at eight. There are presently eight directors of the Corporation, the terms of office of which expire at the Meeting. Each of the current directors is a nominee for election as a director for the ensuing year at the Meeting.

IT IS THE INTENTION OF THE MANAGEMENT DESIGNEES, IF NAMED AS PROXY, TO VOTE FOR THE RESOLUTION FIXING THE NUMBER OF DIRECTORS FOR THE ENSUING YEAR AT EIGHT, UNLESS OTHERWISE DIRECTED.

2. Election of Directors

Action is to be taken at the Meeting with respect to the election of directors. The board of directors (the "**Board**" or "**Board of Directors**") of the Corporation presently consists of eight members. It is proposed that the under mentioned persons will be nominated at the Meeting.

IT IS THE INTENTION OF THE MANAGEMENT DESIGNEES, IF NAMED AS PROXY, TO VOTE FOR THE ELECTION OF THE FOLLOWING PERSONS TO THE BOARD OF DIRECTORS UNLESS OTHERWISE DIRECTED. MANAGEMENT DOES NOT CONTEMPLATE THAT ANY OF SUCH NOMINEES WILL BE UNABLE TO SERVE AS A DIRECTOR. HOWEVER, IF FOR ANY REASON ANY OF THE PROPOSED NOMINEES DOES NOT STAND FOR ELECTION OR IS UNABLE TO SERVE AS SUCH, **THE MANAGEMENT DESIGNEES, IF NAMED AS PROXY, RESERVE THE RIGHT TO VOTE FOR ANY OTHER NOMINEE IN THEIR SOLE DISCRETION UNLESS THE SHAREHOLDER HAS SPECIFIED IN HIS OR HER PROXY THAT HIS OR HER COMMON SHARES ARE TO BE WITHHELD FROM VOTING ON THE ELECTION OF DIRECTORS.**

Each director elected will hold office until the next annual meeting of the Corporation or until his successor is duly elected or appointed, unless his office be earlier vacated in accordance with the Corporation's By Laws. The following information relating to the nominees as directors is based partly on the Corporation's records and partly on information received by the Corporation from said nominees, and sets forth the name and city of residence of each of the persons proposed to be nominated for election as a director, his principal occupation at present, all

other positions and offices in the Corporation held by him, the year in which he was first elected a director, and the number of Common Shares that he has advised are beneficially owned by him, directly or indirectly, or over which control or direction is exercised by him.

On March 9, 2016, the stay of proceedings under the CCAA was extended until May 17, 2016. Additionally, on March 10, 2016, the U.S. Bankruptcy Court approved an order recognizing the CCAA as the foreign main proceedings under Chapter 15. On September 1, 2016, the Senior Lenders were granted a receivership order by the Court.

Mr. Brussa was a director of Virginia Hills Oil Corp. (“VHO”), a TSX-V listed oil and gas company. On February 13, 2017, VHO received a demand notice and notice of intention to enforce security from its lenders and agreed to consent to the early enforcement of the lenders’ security and the appointment of a receiver over all of the current and future assets, undertakings and properties of VHO. The receiver was appointed on February 13, 2017. Mr. Brussa resigned as a director of VHO on February 24, 2017.

It is proposed that Ernst & Young LLP be appointed as auditor of the Corporation for the ensuing year, until the next annual meeting of the shareholders at remuneration to be fixed by the Board of Directors.

4. Approval of the Corporation’s Amended and Restated Stock Option Plan

The TSX Venture Exchange (“TSXV”) requires all listed companies with a 10% rolling stock option plan to obtain annual shareholder approval of such plan. Shareholders will be asked at the Meeting to vote on a resolution to approve, for the ensuing year, the Corporation’s stock option plan, as amended from time to time (the “**Stock Option Plan**”). On August 16, 2010, the Stock Option Plan was originally approved by the Shareholders. On May 17, 2012, the Stock Option Plan, as amended and restated, was approved by the Shareholders. On May 13, 2016, the Stock Option Plan, as further amended and restated, was approved by the Shareholders.

IT IS THE INTENTION OF THE MANAGEMENT DESIGNEES, IF NAMED AS PROXY, TO VOTE FOR THE APPROVAL OF THE STOCK OPTION PLAN, UNLESS OTHERWISE DIRECTED.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The objectives of the Corporation’s executive compensation policy are to attract and retain individuals of high calibre to serve as officers of the Corporation, to motivate their performance in order to achieve the Corporation’s strategic objectives and to align the interests of executive officers with the long term interests of the Corporation’s shareholders. Short-term compensation, including base salaries and annual performance bonus, is used to attract and retain employees. Long-term compensation, including the stock option plan and the employee stock savings plan, is used to reward growth in asset value per share. The Corporation’s compensation policy is reviewed and examined by the Compensation, Governance and Nomination Committee (the “**Compensation Committee**”).

The Compensation Committee considered the implications of the risks associated with the Corporation’s compensation policies and practices and did not identify any risks arising from the Corporation’s compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation. See “*Executive Compensation – Compensation Governance*” in this Circular.

The Corporation does not have any written policies which prohibit a named executive officer (as defined below) or director from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the named executive officer or director.

Executive officer compensation consists of four components: (i) base salary; (ii) the employee stock savings plan (“**ESSP**”); (iii) annual performance bonus; and (iv) the Stock Option Plan. Storm’s executive compensation philosophy is based on encouraging a higher relative level of share ownership with cash compensation (base salaries and annual performance bonus) targeting the 25th to 50th percentile of Storm’s peer group.

Each component of the Corporation’s executive officer compensation arrangements is briefly described below.

Base Salaries

Base salaries of the executive officers of the Corporation are based on the salaries at peer surveyed companies in the oil and gas industry and also from comparative data provided by an independent third party. Generally, base salary compensation targets the 50th percentile. Typically, base salaries for executive officers are equal to or lower than the average for peer companies.

The companies included in Storm’s peer group have similar levels of production (10,000 to 20,000 barrels of oil equivalent per day), complexity of operations and do not pay a dividend. The peer group companies used as a reference in determining 2016 salaries were Advantage Oil & Gas, Cequence Energy Ltd., Delphi Energy Corp., Kelt Exploration Ltd., NuVista Energy Ltd., Painted Pony Petroleum Ltd., Perpetual Energy Inc., Pine Cliff Energy, Raging River Exploration and RMP Energy Inc.

Retention of named executive officers is a risk considered by the Compensation Committee. The Compensation Committee is of the view that the personal investment of these individuals in the Corporation provides considerable incentive for them to remain as officers of the Corporation.

Employee Stock Savings Plan

All employees, including executive officers, may contribute a maximum of 8% of regular salary towards the purchase of Common Shares. Pursuant to the ESSP, the Corporation will contribute an amount equal to 1.5 times the employee's contribution, which will be combined with the employee's contribution to purchase Common Shares under the ESSP. In addition, an employee may contribute up to 45% of any annual performance bonus paid to them to purchase Common Shares under the ESSP; in such cases, the Corporation will contribute an amount equal to 0.4 times the employee's contribution, which will be combined with the employee's contribution to purchase Common Shares under the ESSP. There is a 12-month restriction on sale of Common Shares acquired under the ESSP.

Annual Performance Bonus

The Compensation Committee recommends specific performance objectives which are approved by the Board and then used along with its experience and judgment in assessing the performance of the executive officers to determine bonuses for the executive officers. The annual performance bonus, if there is one, is paid after year-end results have been reviewed and approved by the Board of Directors.

The annual performance bonus is expected to range from 0% to 60% of an executive officer's base salary. The size of the bonus as a percentage of salary is dependent on the number of corporate performance targets achieved and to what extent funds flow increased year over year (non-controllable). If corporate performance targets are not met, there is no annual performance bonus paid.

Following are the targets set by the Board of Directors on November 11, 2015 which were used in assessing the performance of the executive officers in respect of the 2015 annual performance bonus that was paid in March 2016. The majority of the targets were achieved.

- Growth in PV10 per share – Target 25% growth (Weighting 25%)
This is determined using the InSite PV10 with the previous year's evaluation re-run with this year's commodity price forecast, after deducting debt, and using shares outstanding at year end.

Stock Option Plan

Key to the Corporation's long-term incentive compensation program is its Stock Option Plan. Directors, key employees and officers of the Corporation and its subsidiaries (the "**Participants**") are eligible to participate in the Stock Option Plan. As of December 31, 2016, all of the Corporation's employees and directors participated in the Stock Option Plan. Awards are granted at varying levels depending on the individual's level of responsibility within the Corporation. All awards are approved by the Board of Directors.

The Stock Option Plan is intended to reward long-term growth in asset value per share, thereby aligning employee and shareholder interests over the longer term.

Description of Plan

Pursuant to the policies of the TSXV, the Corporation is permitted to maintain a "rolling" stock option plan. On August 16, 2010, the shareholders of the Corporation first approved the Stock Option Plan. On each of May 17, 2012, and May 13, 2016, the shareholders of the Corporation approved an amended version of the Stock Option Plan.

Eligibility

The Stock Option Plan provides for the granting of Options to purchase Common Shares to directors, officers and employees of the Corporation.

Administration

The Stock Option Plan is administered by the Board of Directors and the Board of Directors may, subject to applicable law, delegate its powers to administer the Stock Option Plan to a committee of the Board of Directors. Options may be granted at the discretion of the Board of Directors, in such number that may be determined at the time of grant, subject to the limits set out in the Stock Option Plan. Previous grants are taken into account when considering new grants.

Exercise Price

The exercise price of Options granted under the Stock Option Plan is fixed by the Board of Directors at the time of grant and is equal to the closing share price on the trading day immediately preceding the date of the grant. The exercise price is intended to be the fair market value of the Common Shares at the date of grant and, subject to the approval of the Board of Directors, the TSXV and the shareholders of the Corporation (where required), the exercise price may be adjusted if necessary to achieve that result. Disinterested Shareholder Approval (as such term is defined in the Stock Option Plan) is required for the reduction of the exercise price of any Options.

Maximum Percentage of Common Shares Reserved

The aggregate number of Common Shares that may be issued pursuant to the exercise of Options awarded under the Stock Option Plan and all other share compensation arrangements of the Corporation is 10% of the Common Shares outstanding from time to time, subject to the following limitations:

1. the aggregate number of Common Shares reserved for issuance to any one person under the Stock Option Plan, together with all other share compensation arrangements of the Corporation, within a 12 month period, must not exceed 5% of the outstanding issue of Common Shares (on a non-diluted basis);

2. the aggregate number of Common Shares reserved for issuance to any one insider (as defined in the Stock Option Plan) and such insider's associates pursuant to the Stock Option Plan, together with all other share compensation arrangements of the Corporation, must not exceed 5% of the outstanding issue of Common Shares;
3. the aggregate number of Common Shares reserved for issuance to insiders pursuant to the Stock Option Plan, together with all other share compensation arrangements of the Corporation, within a 12 month period, must not exceed 10% of the outstanding issue of Common Shares; and
4. the aggregate number of Common Shares reserved for issuance to any one participant employed to provide investor relations activities (as defined in the Stock Option Plan) within a 12 month period, must not exceed 2% of the outstanding issue of Common Shares.

Transferability

The Options are not assignable or transferable by an optionee, except for a limited right of assignment in the event of the death of the optionee.

Term and Vesting

The term of Options granted shall be determined by the Board of Directors in its discretion, to a maximum of four years from the date of the grant of the Option. The vesting period or periods within this period during which an Option or a portion thereof may be exercised shall be determined by the Board of Directors. In the absence of any determination by the Board of Directors as to vesting, and subject to the policies of the TSXV, vesting shall be as to one third on each of the first, second and third anniversaries of the date of grant. Further, the Board of Directors may, in its sole discretion at any time or in the Option agreement in respect of any Options granted, accelerate or provide for the acceleration of vesting of Options previously granted.

Early Expiration

Unless otherwise provided in an agreement evidencing the grant of Options, Options shall terminate at the earlier of: (i) the close of business thirty (30) days after the optionee ceasing (other than by reason of death or termination with cause) to be at least one of an officer, director or employee in active employment carrying out regular and normal duties, or a Subsidiary of the Corporation, as the case may be; (ii) the close of business thirty (30) days after the optionee has been provided with written notice of dismissal related to (i) above; and (iii) the expiry date of the Option. If before the expiry of an Option in accordance with the terms thereof a participant ceases to be an employee, officer or director by reason of the death of the participant, any unvested portion of such Option shall immediately vest. In addition, such Option may, subject to the terms thereof and any other terms of the Stock Option Plan, be exercised by the legal personal representative(s) of the participant's estate or at any time before 5:00 p.m. (Calgary time) up to six months after the date of death of the participant, or until the expiry date of the Option, if earlier.

Change of Control

In the event of a Change of Control (as defined in the Stock Option Plan) occurring, all Options which have not otherwise vested in accordance with their terms shall immediately vest and be exercisable, notwithstanding the other terms of the Options, for a period of time ending on the earlier of the expiry time of the Option and the thirtieth (30th) day following the Change of Control.

Voluntary Black-Out Periods

The Corporation has adopted a policy on trading in the securities of the Corporation which includes self-imposed black-out periods from time to time, preventing officers, directors, and employees in certain circumstances, from exercising options. For example, these black-out periods are imposed prior to the release of quarterly and annual reports to shareholders and when the Corporation is considering various possible transactions or is completing material operations that could, if consummated or successfully completed, have a significant effect on the trading price or value of the Corporation's securities. This policy was adopted as part of the Corporation's approach to responsible governance. However, the imposition of voluntary black-out periods can penalize the Corporation and

its insiders and key employees where their Options have not been exercised prior to the voluntary black-out period and where such Options would expire during such period.

Pursuant to the Stock Option Plan, the expiration of the term of any Options that would fall during a voluntary black-out period or within 10 Business Days following the termination of a voluntary black-out period will be extended for a period of 10 Business Days following the expiry of such black-out period such that all optionees will always have a maximum of 10 Business Days following a voluntary black-out period to exercise Options. This provision applies to all optionees.

Amendment to Stock Option Plan

The Board of Directors may amend or discontinue the Stock Option Plan at any time without the consent of the participants provided that such amendment shall not alter or impair any Option previously granted under the Stock Option Plan except as permitted by the provisions of the Stock Option Plan and that such amendment or discontinuance has been approved, if required, by the TSXV. However, the Board of Directors of the Corporation is not entitled to amend the amendment provisions of the Stock Option Plan without the approval of the TSXV as well as Disinterested Shareholder Approval. In addition, the Board of Directors of the Corporation may not amend the Stock Option Plan or any Option previously granted under the Stock Option Plan without the approval of the TSXV and Disinterested Shareholder Approval in the event such amendment would: (i) reduce the exercise price of an Option; (ii) extend the expiry date of an Option other than as contemplated by Article 4.5 of the Stock Option Plan; (iii) permit Options to be transferable or assignable other than for normal estate settlement purposes; or (iv) increase the maximum number of Common Shares that may be issued upon the exercise of Options granted under the Stock Option Plan.

As at March 31, 2017, an aggregate of 12,155,681 Common Shares (10% of the issued and outstanding Common Shares) were available for issuance under the Stock Option Plan. Of this amount, options in respect of 7,739,000 Common Shares have been issued (6.4% of the issued and outstanding Common Shares), of which all were unexercised at March 31, 2017.

As at March 31, 2017, there remained options in respect of 4,416,681 Common Shares which are available for future option grants under the Stock Option Plan.

Employee Stock Savings Plan

The ESSP is designed to encourage employees, including the officers and directors of the Corporation, to invest in Common Shares which results in longer term alignment of employee and shareholder interests. There is a 12-month restriction on the sale of Common Shares acquired under the ESSP.

Under the ESSP, employees of the Corporation are provided with an opportunity to purchase Common Shares, through regular payroll deductions. The ESSP is a voluntary plan open to all eligible employees. All permanent full-time and part-time employees are considered to be eligible employees and are allowed to participate in the ESSP once they have completed a three-month probationary period.

A participant may contribute, by monthly payroll deductions, a maximum of 8% of the participant's regular salary towards the purchase of Common Shares. The Corporation will contribute an additional amount equal to 1.5 times the employee's contribution accumulated during that month, which contribution will be combined with the employee's contribution to purchase Common Shares. In addition, employees may contribute up to 45% of any annual performance bonus paid to them for investment under the ESSP; the Corporation will contribute an additional amount equal to 0.4 times the employee's contribution to acquire Common Shares of the Corporation.

Each director of the Corporation may contribute up to a maximum of 45% of the fees payable to such director for the services rendered as a director of the Corporation for investment under the ESSP. The Corporation will contribute an amount of funds equal to 1.0 times the director's contribution, which contribution will be combined with the director's contribution to acquire Common shares of the Corporation.

Common Shares will be purchased through the facilities TSXV by a trustee within five working days of the trustee receiving the participant's and the Corporation's contributions and written direction from the Corporation.

The Corporation's contributions vest to the respective participant immediately on the contribution being made by the Corporation; however, there is a 12-month restriction on selling Common Shares acquired under the ESSP.

The Corporation is responsible for carrying out the administration of the ESSP and establishes rules from time to time for the administration of the ESSP. The Corporation is responsible for the payment of any fees or charges incurred in the operation of the ESSP, including payments to the administrator, counsel and other agents employed by the Corporation in connection with the operation of the ESSP.

Compensation Governance

The Compensation Committee exercises general responsibility regarding overall employee and executive officer compensation. It determines the total compensation of the Chief Executive Officer, subject to Board approval. The Compensation Committee meets with the Chief Executive Officer to review all other salaries and compensation items, but direct approval of these salaries and compensation items is approved by the Board annually in the overall general and administrative expense budget.

The Compensation Committee identifies and mitigates compensation policies and practices that could encourage executives to take inappropriate or excessive risks, including through (i) structuring compensation policies and practices similarly for all executive officers and employees; (ii) avoiding narrowly focused performance goals which may encourage loss of focus on providing long-term shareholder return; and (iii) weighting long-term incentives towards share ownership and vesting long term incentives over a number of years.

The Compensation Committee is comprised of three members: Mark A. Butler (Chairman), Matthew J. Brister and P. Grant Wierzba. Each of the members of the Compensation Committee is an independent director and is ineligible to participate in any of the Corporation's executive officer compensation programs, other than the Corporation's Stock Option Plan and ESSP. Each has extensive experience as both director and officer with various public companies in the design and implementation of executive and employee compensation plans. The skills and experience possessed by members of the Compensation Committee acquired as a result of their lengthy and extensive business or professional careers will assist and enable them to make decisions on the suitability of the Corporation's compensation policies and practices.

Approximately 75% of director compensation is targeted to be “at risk”.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

National Policy 58-201 – *Corporate Governance Guidelines* (the "Guidelines") came into force on June 30, 2005. These Guidelines address such matters as the constitution and independence of boards of directors, the functions to be performed by boards and their committees, and the relationship between boards of directors, management and shareholders. The Board of Directors and senior management consider good corporate governance to be central to the effective and efficient operation of the Corporation. The recommended disclosure is set out in matrix form and attached to this Circular as Appendix A. Given the history and nature of the Corporation's development, not all of the recommendations contained in the Guidelines have been followed. Disclosure respecting the Corporation's approach to corporate governance is set out below and in Appendix A hereto.

MANDATE OF THE BOARD

The Board of Directors is generally responsible for managing the business and affairs of the Corporation. The primary responsibility of the Board is to promote the best interests of the Corporation and its Shareholders. This responsibility includes: (i) approving annual capital expenditure budgets and general and administrative expense budgets and reviewing fundamental operating, financial and other corporate plans, strategies and objectives; (ii) outlining key operating parameters including debt levels and ratios; (iii) evaluating the performance of the Corporation and senior management; (iv) determining, evaluating and fixing the compensation of executive officers; (v) adopting policies of corporate governance and conduct; (vi) considering risk management matters and hedging policies; (vii) reviewing the process of providing appropriate financial and operational information to Shareholders and the public generally; and (viii) evaluating the overall effectiveness of the Board of Directors. The Board explicitly acknowledges its responsibility for the stewardship of the Corporation. The Board reviews with management matters of strategic planning, business risk identification, succession planning, communications policy and integrity of internal control and management information systems. The Board fulfils its responsibilities through regular meetings. It meets a minimum of four times per year. In addition, the Board meets at such other times as may be required if it is not possible to deal with the Corporation's business at a regularly scheduled meeting.

COMPOSITION OF THE BOARD OF DIRECTORS

The Guidelines recommend that the board of directors of every listed company should be constituted with a majority of individuals who qualify as "independent" directors. An "independent" director is a director who has no direct or indirect material relationship with the issuer. A "material relationship" means a relationship which could, in the view of the issuer's board of directors, reasonably interfere with the exercise of a member's independent judgement. Section 1.4 of National Instrument 52-110 - *Audit Committees* contains further detail regarding the meaning of "independence" and "material relationship".

Based on these definitions, five of Storm's eight existing directors are independent directors. Mr. Lavergne (President and Chief Executive Officer), Mr. Turnbull and Mr. Brussa are the only board members who are not independent. Mr. Lavergne is not considered independent since he serves as an executive officer of the Corporation. Messrs. Turnbull and Brussa are not considered independent because each is a partner in a law firm that provides legal services, from time to time, to the Corporation. The Chairman of the Board, Mr. Stuart Clark, is an independent director.

BOARD COMMITTEES

The Board of Directors has established the Audit Committee, the Compensation Committee and the Reserves Committee as committees of the Board. Terms of reference for each committee, which delineate the mandate of the committee, the composition of the committee, the frequency of committee meetings and other relevant matters, have been approved and adopted by the Board for each committee.

Audit Committee

The Audit Committee is responsible for reviewing and approving the financial statements and public reports of the Corporation, considering the existence and adequacy of internal and management controls and reviewing and approving material accounting policies and measurements. The Audit Committee is also responsible for reviewing the annual audit and quarterly reviews and communicating directly with the external auditor as to their findings. The Audit Committee's mandate provides for regularly scheduled meetings to review and approve annual audited financial statements and quarterly unaudited financial statements and other reports to shareholders. Additional meetings may be held as warranted with respect to public financing initiatives and other material transactions. The text of the Audit Committee Terms of Reference can be found in Appendix B to this Circular.

The Audit Committee is composed of three directors, James K. Wilson (Chairman), Mark A. Butler and Stuart G. Clark. Each of the members of the Audit Committee is independent and financially literate within the meaning of National Instrument 52-110 – *Audit Committees* ("NI 52-110"). Mr. Wilson is Chief Financial Officer of Aspenleaf Energy Limited and has been a director and officer of a number of public oil and gas companies. Mr. Wilson holds a Bachelor of Commerce degree from the University of Calgary, a Chartered Accountant designation and ICD.D director certification from the Institute of Corporate Directors. Mr. Butler was a director and officer of the Corporation's predecessor company, Storm Exploration Inc., and was in the past CEO of WestPac LNG Corporation. Mr. Butler holds a Bachelor of Laws degree from the University of Saskatchewan, a Masters of Business Administration from the University of Calgary, and ICD.D director certification from the Institute of Corporate Directors. Mr. Clark has been a director and chairman of a number of public oil and gas companies and has experience acting as an audit committee member.

The Audit Committee has the authority to pre-approve non-audit services which may be required from time to time.

Compensation, Governance and Nomination Committee

The Compensation Committee is currently composed of three directors, Mark A. Butler (Chairman), Matthew J. Brister and P. Grant Wierzba, all of whom are independent directors. The Compensation Committee is responsible for assisting the board in determining the compensation strategies for the Corporation, recommending the forms and amounts of compensation for directors, officers and other employees and assessing the performance of officers in fulfilling their responsibilities and meeting corporate objectives.
